

VERTICAL BAND AWNING

DESCRIPTION

Compact system for vertical blinds with dual control drive
 Suitable for domestic and professional environments. Orientation with chain drive.
 Translation with cord drive. Suitable for blinds max 6 m with weight not exceeding 14 kg
 Can be used with 127 mm (5") - 89 mm (3.5") fabrics. Ceiling and wall installation. Suitable, given the reduced fabric/ceiling gap, for installation also with aluminum windows.
 With a single movement all the fabrics can be released from the trolley stop and be translated to one side to allow easier cleaning of the glass.

TECHNICAL FEATURES

Extruded aluminum alloy profile 6060 T6 UNI 8278
 Width 45 mm; Height 25 mm
 Width of the sheets: 127 mm (5") - 89 mm (3.5")
